Public Hearings Precede Any Decision on Transit

City Council will hear from Oahu residents before deciding on proposed guideway plans

Honolulu, HI: On November, 2, 2006, the Committee on Transportation and Planning supported Bill 79, CD1, which tentatively selected rail as the mode and identified five possible alignments.

Community input is critical for the success of this project. To allow public input and feedback on the City Administration's Alternative Analysis, the Committee on Transportation and Planning has coordinated a series of public meetings on the following dates:

- Nov. 13: McKinley High School cafeteria
- Nov. 16: Kapolei Hale
- Nov. 17: Kalakaua Middle School cafeteria
- Nov. 20: Windward Comm. College, Hale Akoakoa, room 105
- Nov. 21: Pearlridge Elementary School cafeteria
- Nov. 22: Mililani District Park multi-purpose room
- Nov. 27: Radford High School cafeteria

Bill 79, CD1 will be scheduled for a 2nd Reading/Public Hearing on December 7, 2006 following the conclusion of the Transportation and Planning public meetings.
